(4) The schools are catering well to the special and general educational needs of the fisher children of their ~~xxxx~~ respective areas. As they were in existence for the last five years and their usefulness has been established beyond doubt, the schools can be made permanent. But four schools viz., Hosdrug-kadapuram, Udainoorkadapuram, Bengre and Hadavinakone have been granted temporary recognition only for want of adequate accommodation. In all these cases except that of Udainoorkadapuram Government have sanctioned additional accommodation and the owners of the respective schools buildings have already started work and will be completed soon.

I request therefore, that the sanction of Government may kindly be accorded for the continuance of the staff mentioned in para 1 for a period of one year from the dates noted against each.
